CHAMPION PRINT OF THE COMPETITION

Adelaide Camera Club

2021 Annual Exhibition

President's Welcome

I always find that although there is a huge amount of work required to stage it, the Annual Exhibition is a lovely way to finish the year.

Although the number of entries was down this year, it was great to see some people entering this competition for the first time.

The Adelaide Camera Club has enjoyed another exciting year and we hope that you will find the programme for next year to be interesting and the competition topics challenging.

This year the Club came 4th in the SAPF Annual Exhibition "Club Sets competition"; we won both international interclub competitions against Fordingbridge (UK) and Pikes Peak (USA); our local interclub against Para Camera Club., which we won, was held via zoom.

The Club put up a wonderful exhibition at the Capri Theatre for the SALA Festival. We had a number of Guest speakers and we ran some thought provoking workshops.

It has been great to see the Club getting out and about on our weekend photo shoots where people are getting to know more about each other over a cup of coffee when we have finished. This year we have explored Adelaide Oval, visted wetlands, the zoo and the Port Willunga Sticks. We also have a very informative Architecture shoot along North Terrace.

My wish is for you and your families to have a very happy and safe Christmas and New Year break and that you come back next year full of energy and excitement.

Be safe

Regards

Julie Deer
