Peter Barrien

Adelaide Camera Club 2022 Annual Exhibition

President's Prattle, December 2022

I have been honoured to lead the Club in an upward journey again this year.

We started the year in yet another new hall, but this time it looks like we have found a home that suits us well. We will have a new projector early next year too which will make our images look fantastic.

Twenty of our members have presented the work that you will see tonight. There are such a great variety of subjects and the judges definitely had a very hard time allocating the winning images. Congratulations to all that were successful in gaining awards in this competition.

In our External Competitions this year, we had the pleasure of congratulating Ford- ingbridge in England for winning our tussle for the first time. We were victorious against the Adelaide based Para Camera Club and also Pikes Peak Camera Club in Colorado, USA. Our Club entered images into the Australian Photographic Society's competition for Clubs and we came a credible 17th from 64 Clubs Australia wide. We were so very excited to be announced as the winners of the SAPF Annual Exhibition Clubs Competition this year.

The Club staged another very successful SALA Exhibition at the Capri Theatre where several of the images were sold.

I would like to congratulate those who gained or improved their photographic honours this year. I applaud those B Grade members who are moving to A Grade next year!

The Program Team have worked hard to cobble together an interesting time for us next year and I hope that you will find things on the program that interest you.

Thank you for being a part of the Adelaide Camera Club this year and I look forward to working with you again next year.

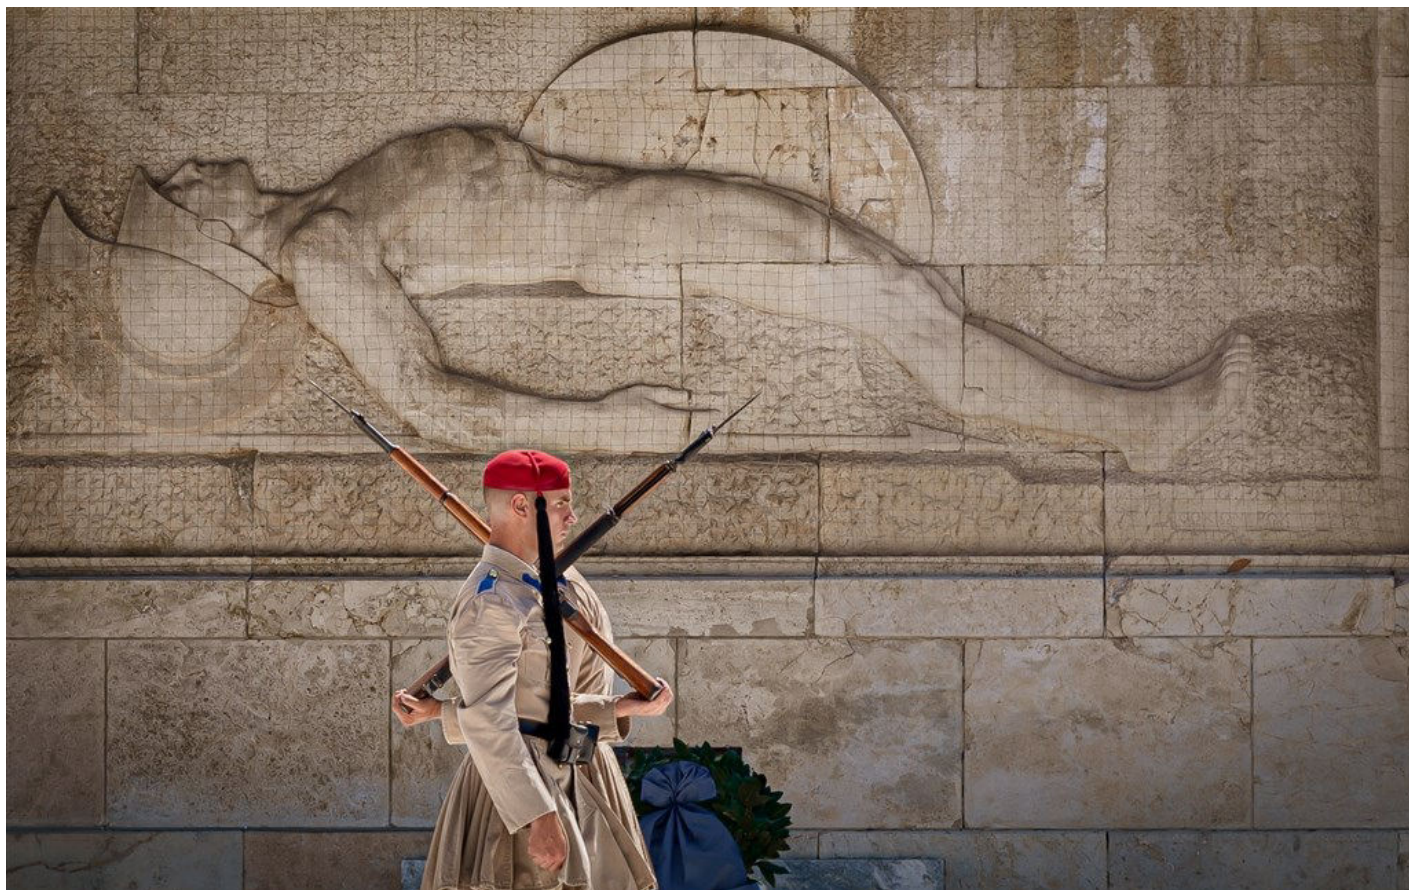

I wish you and your families a very happy Christmas and a very safe and enjoyable new year!

Julie
