PRESIDENT'S MESSAGE

It does not seem like a whole year since we wrapped up 2022, but here we are, saying goodbye to 2023!

The Club has had an interesting year with plenty of Guest Speakers and Workshops this year, as well as bedding in our new projector. We have taken you to all sorts of places on our weekend jaunts and held some portrait photo shoots too.

Unfortunately, we haven't been able to secure an exhibition space where all submitted prints can be displayed, but a selection of those that were entered into this year's competition were displayed at the Presentation Night.

During the year the Club has competed in two international interclub competitions. We won the one against Pikes Peak in Colorado, but we came second to Fordingbridge in England. We also put up a spectacular Exhibition of member's photographs at the Capri Theatre during the Sala Festival.

The Program Team have worked hard to formulate the 2024 program and we hope that you will find lots of things to interest you next year. The program will be on the web page within the next couple of days.

I must thank our Committee for putting in the extra hours needed to produce an Exhibition of this standard.

My wish is for you and your families to have a very happy and safe Christmas and New Year break and that you come back next year full of energy and excitement.

Be safe

Regards

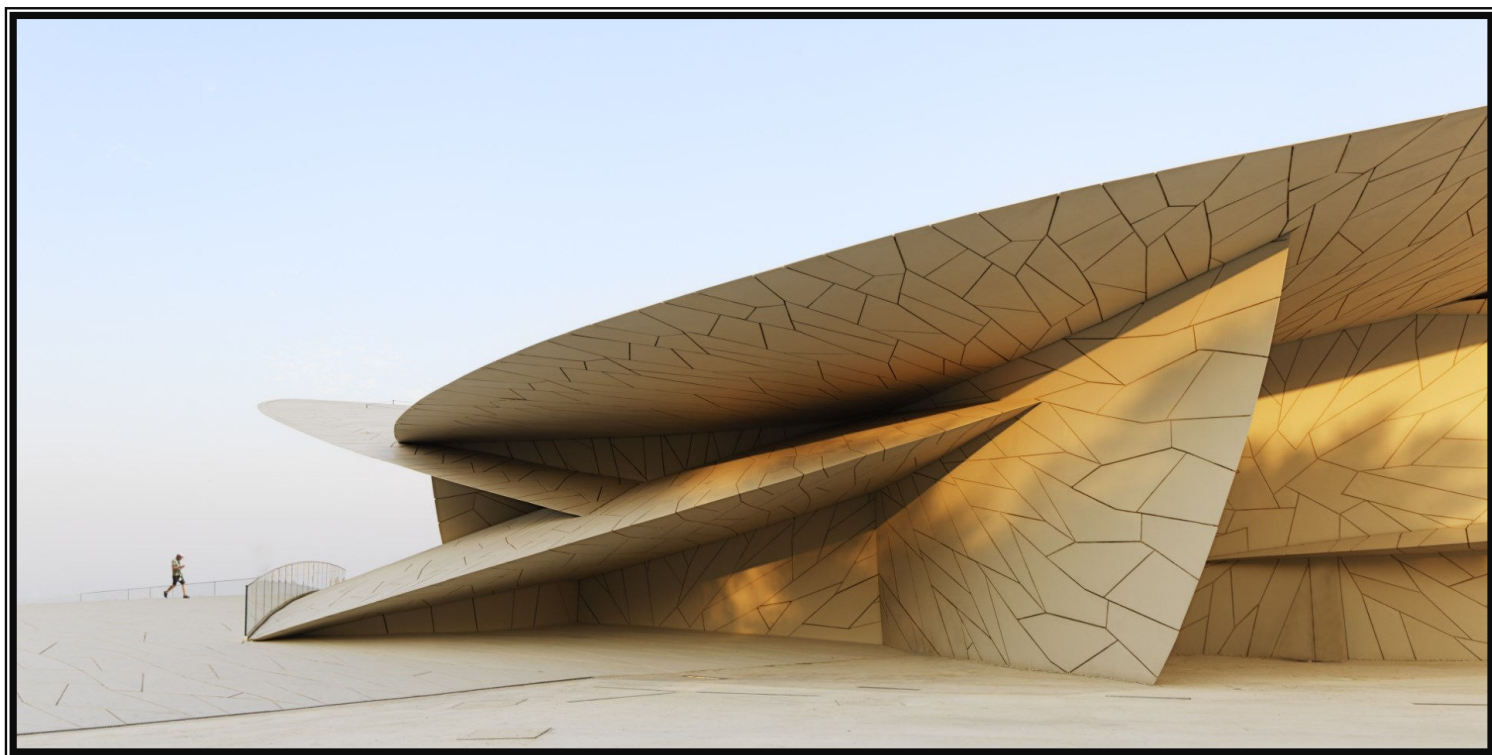

Julie Deer

President
